Korea Trade Fairs Ltd. has managed expert trade fairs periodically since 1988. At present, we are the host of trade fairs like Korea Metal Week (Fastener & Wire Korea, Die casting Korea, Automobile & Machine Parts Korea, Press & Forging Korea, Tube & Pipe Korea, Metal Surface Treatment & Painting Korea, 3D Technology Korea, Aluminum Korea, Fundamental Manufacturing Industry Korea, Laser & Welding Korea, Pump Technology Industry Korea), and Korea Composite Show. Also organize public shows like Korea Study Abroad & Language Fair and Korea Emigration & Investment Fair. In Dalian, Beijing and Guangzhou, China, we have managed Korean pavilion for SHIPTEC China, CIOOE+CIPPE+CM Beijing and Asiametal/Asiamold. Also, we organize Korean Pavilion for NEVA and Automechanika in St. Petersburg, Russia and VIETSHIP in Vietnam.

October 24(Tue) ~ 27(Fri), 2017
Hall 7~8, Center 2, KINTEX, S.Korea
10:00 ~ 17:00

Organized by Korea Trade Fairs Ltd Tel. +82-2-783-8261 Fax. +82-2-784-6810 E-mail. fair@ktfairs.com
Korea Federation of Fasteners Industry Cooperatives Tel. +82-2-782-1923 Fax. +82-2-782-1924
Korea Pump Industry Cooperatives Tel. +82-31-957-5850 Fax. +82-31-957-5854
Daehan Welding Society Tel. +82-1670-1511 Fax. +82-52-288-1809

Sponsored by (Expected) Ministry of Trade, Industry and Energy / Gyeonggi Province / Small and Medium Business Administration / Korea Industrial Complex Corporation / 3D Convergence Technology Center / 3D Printing Research Organization / Bucheon CCI / Korea Diecast Industry Cooperative / Korea Forging Cooperative / Korea Foundry Cooperative Association / Korea Foundry Society / Korea Magnesium Technology Research Association / SKKU RIS / The Korean Institute of Metals and Materials / The Korean Powder Metallurgy Institute / The Korean Society For Technology of Plasticity

KOREA 2017 METAL WEEK

International Metal Industry Technology Exhibition

Korea Metal Week leads the trends of the machinery industry for Automotive, Shipbuilding and Electronic IT in recent years as well as metal materials, equipments, finished products processing. It's aiming to bring in advanced metal technologies and equipment to meet the huge demand of Korea changing machinery market.

Korea Metal Week 2016 was held with 357 exhibitors from 20 countries and 24,050 professional visitors with 723 booths in the hall of 21,384sq.

With recent increasing interest in Manufacturing Technology industry, **Korea Metal Week 2017** holds 'Pump Technology Industry Korea' newly to deliver the more extensive and specialized metal processing industry technologies along with the changes in the manufacturing industry.

Technical seminars and the programmed trade meetings are held during the exhibition days.

Show your great technologies, expand distribution channel and strengthen business network through **Korea Metal Week 2017**. We hope you take this best opportunity in Korea Metal Week!

Show Outline

- **Title**
- 18th Fastener & Wire Korea
- 13th Die Casting & Korea
- 11th Automobile & Machine Parts Korea
- 17th Press & Forging Korea
- 18th Tube & Pipe Korea
- 5th Metal Surface Treatment & Painting Korea
- 4th 3D Technology Korea
- 3rd Aluminum Korea
- 2nd Fundamental Manufacturing Industry Korea
- 2nd Laser & Welding Korea
- 1st Pump Technology Industry Korea
- 5th SAMPE 2017 & KOREA Composite Show

■ **Period**
October 24(Tue)~27(Fri), 2017
10:00~17:00

■ **Venue**
Hall 7~8, The Exhibition Center 2, KINTEX (22,580sq.m)

■ **Organizer**
Korea Trade Fairs Ltd.
Korea Federation of Fasteners Industry Cooperatives
Korea Pump Industry Cooperatives
Daehan Welding Society

■ **Concurrent Shows**
SAMPE Korea & Korea Composite Show,
Korea Machinery Fair, Tool Tech

Application Procedure

■ Participation Fees

- Space and Shell Scheme : \$ 2,900/booth (9 sq.m)
- Space Only : \$ 2,600/booth (9 sq.m) * Min. 18 sq.m

■ How to pay

- Pay contract deposit(50% of the booth cost) – Within one week from the date of application submitted
- Pay balance – Before 3 Months of the show date(July 31, 2017)
- Bank Information – Account Number : 256-890009-04438, KEB Hana Bank Yeouido Gwang Jang Branch.
Swift Code: KOEXKRSE
Address: Korea Exchange Bank, CCMM Bldg., 12 Yeouido-dong,
Youngdeungpo-ku, Seoul, Korea
Remittee: Korea Trade Fairs Ltd.

* The Standard shell scheme package includes

- Side and rear walls
- Fascia board
- 100W Spotlights(4ea)
- Waste Basket(1ea)
- Floor carpeting
- Information desk(1ea only) and chair(1ea only)
- 220V/1.3KW-13amp outlet

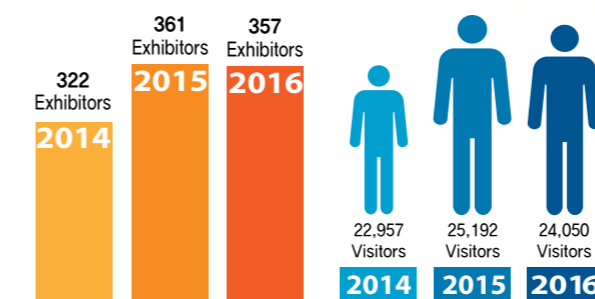

>> Additional stand fittings and displays, electrical installation and other services are not included but can be provided at the exhibitor's expense.

* The space is occupied first-come-first-serve basis. But the organizer may assign space according to the number of booths and which part of the show the exhibitor in.

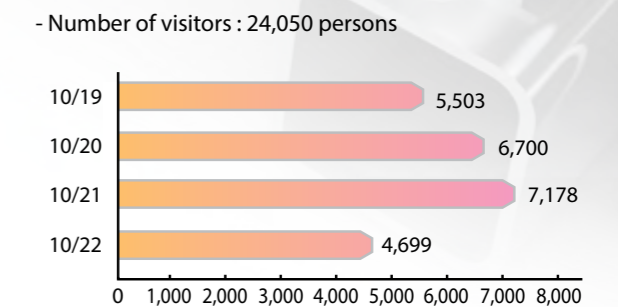

* Submit application(contract) by July 31, 2017

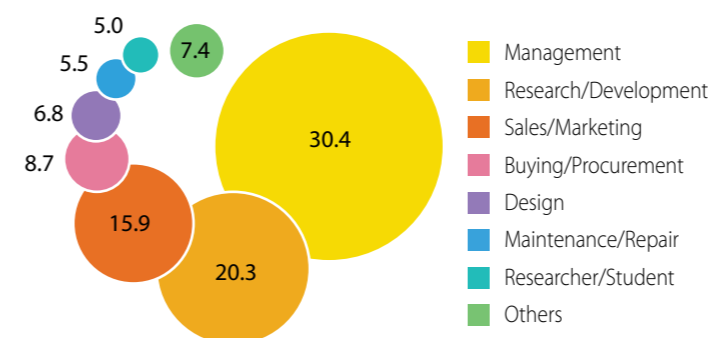

Last Show Records

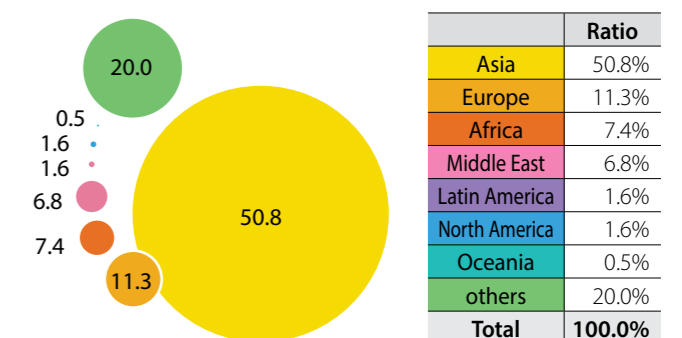

Number of Visitors by Date(2016)

Job/Work Area of Visitors(2016)

Nationality of Visitors(2016)

18th Fastener & Wire Korea

- **Bolt/Nut Equipment & Manufacturing**
Forming Machine, Thread Rolling Machine, Tapping Machine, Rolling Machine, Cutting Machine, Parts Feeder
- **Bolt/Nut Products**
Bolt/Nut, Rivet, Stud, Nutsert, Anchor, Fastening Assembly, Tools, Lubricating Oil, Processing Oil, Rust Preventive Oil
- **Wire Production & Manufacturing**
Wire Rod, Welding Rod, Coil & Other Wire Rod, Standing Machine, Wire Drawing Machine, Cutting Tool, Compressor, Rope Making Machine, Ingot

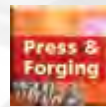

13th Die Casting Korea

- **Die Casting Machinery and Plants**
- **Die Casting Product / Mold / Dies & Factory Automation**
- **Materials/Tools & Finishing**
- **Foundry** : Aviation/Shipping/Military Casting, Foundry Production for Vehicles, Precision Foundry, Low Pressure Foundry, Raw Casting Materials, Aluminum Gravity Casting, Production, Machinery
- **Furnace & Thermal Process** : Heat Treatment Furnace, Forging Furnace, Vacuum Furnace, Melting Furnace, Heat Treatment Machinery, Heat Treatment & Other Materials

11th Automobile & Machine Parts Korea

- **Steel Components & Materials**
- **Machine Tools & FA**
- **Testing & Measuring Equipment**
- **Mold Manufacturing**
- **Automobile, Shipbuilding Machine, Aviation Parts**
- **Cable Manufacturing**

17th Press & Forging Korea

- **Hot, Cold Forging Part & Manufacturing**
Forging Parts for Power Plant, Cold & Hot Forging for Vehicles, Cold & Hot Forging Product for Aviation & Shipping, Rolling Materials, Rolling Machinery, Other Materials
- **Press Machine**
Hydraulic Press, High speed Press, Servo Press, Mechanical Press, Transfer Press, Press/Hammer Forging Machinery

18th Tube & Pipe Korea

- **Tube & Pipe**
PiPe-Tube Manufacturing Machinery, Steel Pipe Tube, Titanium Tube, Carbon Tube, Copper tube, Seamless & Welding Pipe, PVC conduit, Valves, Fitting, Process Technology Tools and Auxiliaries, Raw Materials & Accessories, Welding Tools

5th Metal Surface Treatment & Painting Korea

- **Surface Treatment Technology** : Plating, Coating, Painting
- **Surface Treatment Machinery/Equipment/Tools**
- **Surface Treatment/Modification Chemicals**
- **Surface Measurement/Treatment/Modification Equipment**
- **Environmental Equipment** : Filter, Waste-water processor, Discharge, Cleaning
- **New-Technology for Surface Treatment** : Nano-technology, WPM, Micro-packaging

4th 3D Technology Korea

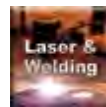

- **3D Printer**
- **3D Image/Virtual Reality(VR)**
- **Prototype Manufacturing**
- **Software**
- **3D Bio Printing**
- **3D Printing Materials & Parts**
- **NDT (Non Destructive Testing)**
- **3D Scanner**
- **3D Measuring Machine**
- **CAD / CAM / CAE / CIM**

3rd Aluminum Korea

- **Aluminum Raw Material/Metal Products, Semi-finished Products**
Ingot, Plate, Bar, Round Blanks, Perforated Sheets, Profile
- **Aluminum Products & Application**
Automobile, Aviation, Building & Construction, Materials
- **Aluminum Plants & Equipments**
Aluminum Extraction, Proceesion and Refining

2nd Laser & Welding Korea

- **Laser :** Cutting – Laser Cutting **Processing** – bending, Marking, Carving
Surface Treatment Equipment – Heat-Treat, Cladding, Coating
Materials – Optical Instrument, Beam Profile, Beam Analysor, 3D Measuring Sensor, CO2 Laser Condensor Lens
- **Welding :** M/C Equipment – Fiber/Plasma Laser Beam, Arc/Spot/Polymer(Hybrid) Welding, Conduction, Chilling,
Materials – Welding Rod, Electric Rod, Wire, Cable, Soldering & Brazing alloy material, Subsidiary materials
Automation – Robot, Tester, Surface/Heat-Treat, Slide Base, Welding Line Tracking System
Environmental Equipment & Protective Gear
- **Sheet Metal Processing :** M/C – Cutting, Bending, Shearing, Punching
Processing Equipment – Punching, Bending, Notching, Slitting, Dieing, Press
Post-Treat Equipment – Deep Coating Process, Greasing, Drying lubricative Paint, Static Coating, Zinc Plating, Metal Cleansing
Finished (Semi-) Products – Metal Film, Plating Sheet/Coil, Tube/Metal Sheet Parts
Materials – Processing Solution, Process Data, Application Program, Factory/Warehouse Equipment, Plant Safety Device, Environment Repository Technology

2nd Fundamental Manufacturing Industry Korea

- **Casting :** Steel Casting, Nonferrous Metal Casting • **Mold :** Press Mold, Injection Mold
- **Plastic Working :** Forging, Extrusion, Press, Drawing, Rolling, Form Rolling, Powder Metallurgy
- **Welding :** Machinery, Welding Materials, Welding System
- **Surface Treatment :** Plating, Painting, Environment, Analysis Process
- **Heat Treatment :** Machine Equipment, Related Equipment

1st Pump Technology Industry Korea

- **Booster Pump, Underwater Pump, Vacuum Pump, Industrial Pump, Hydraulic Pump, Metering Pump, Pump Relevant**

5th SAMPE Korea 2017 & KOREA Composite Show

- **Raw materials & Chemicals** - Resins, Additives/Adhesives/Polyurethane(PU) foam, Prepregs, Bio Materials, IT Materials, etc.
- **Carbon Composites** - Carbon fiber, Adhesives/Polyurethane(PU) foam, Prepregs, Bio Materials, IT, Materials, Graphene etc.
- **Reinforced Fibers** - Glass, Kevlar, Natural, Aramid, Ceramic, Technical textile, etc.
- **Reinforcements** - Nano-reinforcements, Aluminium Composite panel, etc.
- **Processor, Fabricator, Equipment & Technology**

Public Relations Activities

Overseas

- **Adverts and articles in expert magazines in metal industry**
 - China Fastener, China Fastener Info(China), Fastener World(Taiwan), Fastener Technology International (USA), Tube & Pipe Magazine(UK), Forging Today(India), Stainless Steel World(China, Europe), etc.
- **Attending in related trade fair**
 - **The 10th Asiamold** : Sep. 20-22, 2016 / Guangzhou, China (Mold, Diecasting, Foundry)
 - **Shiptec China** : Oct. 23-26, 2016 / Dalian, China (Shipbuilding, Marine Equipment, Offshore)
 - **National Industrial Fastener & Mill Supply Expo** : Oct. 25-27, 2016 / Las Vegas, USA (Fastener, Wire)
 - **Automechanika** : Mar. 14-16, 2017/ St. Petersburg, Russia (Automotive service industry)
 - **Fastener Fair Stuttgart** : Mar. 28-30, 2017/ Stuttgart, Germany (Fastener)
 - **Hannover Messe** : Apr. 24-28, 2017, Hannover, Germany
 - **M-Tech** : Jun 21-23, 2017 / Tokyo, Japan
 - **Fastener Expo Shanghai** : Jun. 22-24, 2017 / Shanghai, China
 - **China Die-Casting Exhibition** : Jul. 19-21, 2017 / Shanghai, China (Mold, Diecasting, Foundry)
- **Partnership with local agents**
 - In major Markets such as China, Hong Kong, Taiwan, India, Europe / Recruit exhibitors and visitors in their countries.
- **DM, EDM**
 - Distributing brochures, newsletters, porters and invitation letters to ex-exhibitors/visitors and customers of exhibitors
- **Vip invitation programs (Benefits for overseas visitors)**
 - Support for the accommodation and flight tickets for VIPs (more detail, please contact to the organizer)

Domestic

- **Adverts and articles in expert magazines in metal industry**
 - Die Casting News, Casting, MM(Machine Market) Korea, Monthly Machinery, Forging Journal, Machinery, Shipbuilding, Surface Treatment, etc.
- **Radio** : About 150times of adverts in major broadcasting systems
- **Newspaper** : 10 time of adverts in economic newspapers (Mae-il Economy, Korea Economy)
- **Press Release**
 - To major daily newspapers and expert magazines/internet sites
- **Outdoor**
 - On major highways and main streets from/to industrial parks/Factories of exhibitors
- **DM, EDM**
 - Distributing brochures, newsletters, porters and invitation letters to ex-exhibitors/visitors and customers of exhibitors
- **VIP Invitation**
 - Inviting major leading companies from each industry recommended by exhibitors

Seminars

Seminars programs will be held concurrently in the exhibition hall. Experts of the field will be invited to give seminars on the metal industry, technological developments, new product and methods. Exhibitors can also do the seminars by themselves. Please contact the organizer for more detail. (50-minute time slot for US\$ 500.)
